9. Best Evaluated Bid per area

In view of the above, it is recommended that the bids are awarded in a manner offering the best economic advantage to the employer.

With reference to the bidding document under Section III - Evaluation Criteria, 1. (vii), which states that:

"Seventhly, The Employer shall award a maximum of only one (1) single contract to (One) (1) Contract Area per successful Bidder, across this Maintenance Activity (i.e. Erection and Replacement of Road Signs) over the five (5) Roads Authority Maintenance Regions:

- *In the Keetmanshoop, Windhoek, Otjiwarongo, Oshakati and Rundu Regions."*

It should be noted that, Bidder number 22 has been awarded Area 02 in the Rundu Region, meanwhile Bidder 45 has been awarded Area 02 in the Windhoek Region. Both bidders were awarded through separate competitive bidding processes.

Whereby a sufficient number of responsive bidder have been received. With Bidder No. 58 having been ranked first in both Area 1 (OSH 01) and Area 2 (OSH 02), awarding the best economic bids was determined by looking at which awarding scenario between Scenario A and Scenario B below yields a lower overall total cost to the employer as follows:

Table 9: Scenario A (highest ranked bidder in OSH 01 and third highest ranked bidder in OSH 02 (because the second highest ranked bidder in OSH 02, Bidder number 22, has already been awarded Area 02 in the Rundu Region))

Contract Area	Bidder No	Bidder Name	Ranking	Bidder's Price Incl. VAT (N\$)
OSH 01	58	Tangizo Investments Cc	1	3,317,525.75
OSH 02	29	Tuyapeni Trading Enterprises Cc	3	3,699,998.50
Total Overall Cost to Employer				7,297,595.25

Table 10: Scenario B (highest ranked bidder in OSH 02 and second highest ranked bidder in OSH 01)

Contract Area	Bidder No	Bidder Name	Ranking	Bidder's Price Incl. VAT (N\$)
OSH 01	35	Lexson Trading Cc	2	3,328,847.50
OSH 02	58	Tangizo Investments Cc	1	3,597,596.75
Total Overall Cost to Employer				6,926,444.25

Following the above exercise, it can be determined that Scenario B yields a lower total cost to the employer, therefore saving the employer N\$ 371,151.00 when compared to Scenario A.

Additionally, Bidder No. 58, who is ranked first in both contract areas, has a higher contract value in Area 2 (OSH 02).

As a results it is recommended that Area 1 (OSH 01) be awarded to Bidder No. 35 and Area 2 (OSH 02) be awarded to Bidder No. 58 as follows:
